WFPICCS 2018 PROGRAM

Saturday, 9 June 2018					
Time	Hall 300 -302	Hall 303 - 304	Hall 308	Hall 309	KK Women and Children's Hospital
0830 -1230	W1: Improving nutrition in critically ill children 	W2: Acute Non-invasive Ventilation in Children 	PACCMAN research meeting <i>No ticket needed</i>		W6: Session 1: Critical care ultrasound - theory and practice 
1330-1730			W15: Paediatric Physiotherapy Moving Forward: The importance of positioning and early mobilization from infants to adolescents in PICU 	Taiwanese intensive care symposium <i>No ticket needed</i>	

Sunday, 10 June 2018									
Time	Hall 300 -302	Hall 303 - 304	Hall 323	Hall 308	Hall 309	Hall 310	Academia, Singapore General Hospital	KK Women and Children's Hospital	WFPICCS Office (Hall 311)
0830 - 1230	W8: Continuous renal replacement therapy in critically sick children 	W9: Optimising Mechanical Ventilation: art and science 	Latin American SLACIP [Spanish and Portuguese speaking Intensive Care Group] Symposium <i>No ticket needed</i>	Current Challenges in Pediatric Intensive Care in India and Asia <i>No ticket needed</i>	W10: Acute decompensated heart failure 		W11: Difficult conversations in the PICU 	W6: Session 2: Critical care ultrasound - theory and practice 	
1330-1730				W13: Current concepts in pediatric procedural sedation outside of the operating room 	W12: The deteriorating child in hospital 	Chinese intensive care symposium <i>No ticket needed</i>			PROspect Start-up meeting (14:30-17:30) <i>No ticket needed</i>
1730-1800	Afternoon break								
1800-1830	Welcome by Organising Chairperson Jan Hau Lee, Singapore and Paolo Biban, Italy in Hall 404AX								
1830-1855	Plenary 1: Delivering Paediatric Critical Care in Austere Conditions - Lisa Umphrey, MSF. Chair: Sunit Singhi in Hall 404AX								
1855	Welcome Reception in the Exhibition Area								

Monday, June 11 2018

Time	Hall 404AX	Hall 404F	Hall 325-326	Hall 300-301-302	Hall 303-304
0730-0845 Sunrise sessions	How to promote central venous access device (CVAD) performance in the PICU Lead: Amanda Ullman Members: Pei Lin Koh; Samantha Ang; Tricia Kleidon	How to be an effective leader in the ICU Lead: Liz Crowe Members: Peter Cox; Lauren Sorce; Dick Tibboel; Andrew Argent	How do I manage a PICU at night without stay-in attendings? Lead: Swee Fong Tang Members: Phan Huu Phuc; Eva Marwali	How to organise resuscitation teams Lead: Elizabeth Hunt Members: Takanari Ikeyama; Tina Kendrick	How to set up sustainable PICU mission work in resource limited settings Lead: Intikhab Zafurallah Members: Amelie von Saint Armin; Ram Mudhoo, Hans Jorg Lang
0900-0905	Social Media Primer - Sapna Kudchadkar in hall 404AX				
0905-0935	Plenary 2: The Origin and Future of Paediatric Intensive Care Mark Rogers, USA Chair: Paolo Biban in hall 404AX				
0935-1005	Plenary 3: Changing PICU culture Lauren Sorce, USA Chair: Francoise Martens in hall 404AX				
1005-1030	Morning Break				
1030-1230	Delirium in the PICU Chairs: Sapna Kudchadkar; Erwin Ista	Current developments in paediatric cardiac intensive care Chairs: Graeme MacLaren; James Fortenberry	Resuscitation I Chairs: Takanari Ikeyama; Johnny Millar	Respiratory I: Paediatric ARDS Chairs: Ira Cheifetz; Nicola Ngiam	Infectious Diseases Chairs: Sunit Singh; Luregn Schlapbach
1030-1115	Oral presentations	Oral presentations	Oral presentations	Oral presentations	Oral presentations
1115-1135	Conundrums in PICU related delirium - what do we really know? Dick Tibboel, Netherlands	Inhaled Nitric Oxide via CPB: Prevention is better than cure Warwick Butt, Australia	Changing the outcomes in paediatric cardiac arrest Vinay Nadkarni, USA	What has the PARDS guidelines brought to the table? Martin Kneyber, Netherlands	Dengue in the PICU Chin Seng Gan, Malaysia
1135-1155	Unpacking Delirium in the PICU Sandra Staveski, USA	Fast tracking in the paediatric cardiac intensive care unit: Who and how? Rajnish Kumar Garg, India	Parent present resuscitation Amanda Ullman, Australia	Adjunctive therapy in PARDS Nadir Yehya, USA	Preventing Hospital Acquired Infections Bettina von Dressauer, Chile
1155-1215	Managing delirium in children Heidi Smith, USA	Long-term neurodevelopmental outcomes and follow-up in the postop cardiac patient Paul Checchia, USA	Resuscitation team training: what works best? Elizabeth Hunt, USA	Dealing with pARDS without ECMO Swee Fong Tang, Malaysia	The heterologous effects of vaccines and infections Frank Shann, Australia
1215-1230	Q&A	Q&A	Q&A	Q&A	Q&A
1230-1400	Mid-day break/ Poster Discussions in the Exhibition Area	Industry Supported Symposium <i>**Not included in main event CME/CPD Accreditation</i>	Mid-day break/ Poster Discussions in the Exhibition Area	Industry Supported Symposium <i>**Not included in main event CME/CPD Accreditation</i>	PICU Registries Part I Chairs: Ira Cheifetz and Lauren Sorce
1400-1535	Surviving the PICU - improving the outcomes Chairs: Liz Crowe; Martha Curley	Revising Sepsis Definitions in Children - Towards Pediatric Sepsis-3 Chairs: Niranjan (Tex) Kissoon; Luregn Schlapbach	Paediatric ECLS Chairs: Ravi Thiagarajan; Steve Schwartz	Renal Chairs: Satoshi Nakagawa, Akash Deep	Organ Donation Chairs: Roxanne Kirsch, Qian Suyun
1400-1420	Children's Psychological Responses to PICU hospitalisation Janet Rennick, Canada	Time for Sepsis-3 for children - lesson's learnt from Sepsis-3 in adults, and it translation to pediatric age groups Luregn Schlapbach, Australia	Advances in paediatric ECLS Graeme MacLaren, Singapore	Acute kidney injury in critical care – what has changed in the last decade? Tim Bunchman, USA	Controversies in brain death certification in Asia - Naoki Shimizu, Japan
1420-1440	Sibling Outcomes Joseph Manning, UK	Implications of revising sepsis definitions for sepsis quality improvement initiatives Pierre Tissieres, France	Paediatric E-CPR Shu-Chien Huang, Taiwan	Peritoneal dialysis – CRRT in the developing world Mignon McCullogh, South Africa	Opt in or opt out? Challenges in increasing the donor pool Joe Brierley, UK
1440-1500	Managing post PICU morbidity as a family Debbie Long, Australia	Implications of revising sepsis definitions for future sepsis trials Mark Peters, UK	Mechanical support for end-stage heart failure Ching Kit Chen, Singapore	AKI biomarkers in the PICU Rajit Basu, USA	Paediatric donation after cardiac death Sonny Dhanani, Canada
1500-1520	Treating traumatised parents in the longer term Gillian Colville, UK	Implications of revising sepsis definitions for low and middle income countries, Niranjan (Tex) Kissoon, Canada	ECMO and pharmacokinetics: How do we know what is enough? Saskia N. De Wildt, Netherlands	CRRT in the tiny-tots – What's new? Hui Kim Yap, Singapore	The difficult conversation in organ donation: a practical approach Jim Boggs, USA
1520-1535	Q&A	Q&A	Q&A	Q&A	Q&A
1535-1615	Afternoon Break/Poster Viewing/Visit the Exhibition				
1615-1715	Pro con debate: HFOV is no longer necessary when VV-ECMO is available Satoshi Nakagawa, Japan vs Ravi Thiagarajan, USA Chair: Ira Cheifetz	Sepsis 3 final discussion - Round table Niranjan (Tex) Kissoon, Canada; Luregn Schlapbach, Australia; Pierre Tissieres, France; Mark Peters, UK	International Nurse Scientists: Emerging scholars and their research Chairs: Martha Curley and Lyvonne Tume	Planning for disaster: (1) Dealing with Hurricane Harvey Paul Checchia, USA (2) The PICU response to the Manchester Bombing Stephen Playfor, UK Chair: Mjaye Mazwi	
1730-1930		Establishing collaborative efforts in the fight against Sepsis in children Chair: Niranjan "Tex" Kissoon Mark Ansermino, Andrew Argent			

Tuesday, June 12 2018

Time	Hall 404AX	Hall 404F	Hall 325-326	Hall 300-301-302	Hall 303-304
0730-0845 Sunrise sessions	How to recognise the deteriorating child Lead: Fenella Gill Members: Chris Parshuram; Chor Yek Kee	Social Media and App Technology in the PICU: Where to Begin? Lead: Sapna Kudchadkar Members: Joseph Manning; Satish Deopujari	How can I improve end of life care in my PICU? Lead: Siti Nur Hanim Buang Members: Kathleen Meert; Karen Dryden Palmer; Roxanne Kirsch	How can I ensure quality and safety in the PICU? Lead: David Cooper Members: Pang Nguk Lan; Pat Moloney Harmon; Mjaye Mazwi	How do I set up a paediatric transport service? Lead: Tina Kendrick Members: Intikhab Zafurallah; Cheah Phee Kheng
0900-0930	Plenary 4: Global Perspective of Children's Health in the 21st Century Frank Shann, Australia Chair: Jeffrey Burns in hall 404AX				
0930-1000	Plenary 5: Excellence by Design Patricia Hickey, USA Chair: Lauren Sorce in hall 404AX				
1000-1030	Morning Break				
1030-1230	Comfort in the PICU Chairs: Monique Van Dijk, Heidi Smith	End of Life Care Chairs: Peter Cox; Siti Nur Hanim Buang	Nutrition I Chairs: Nilesh Mehta; Frederic Valla	Sepsis II Chairs: Brian Kavanagh; Pierre Tissieres	Respiratory II: Hot Topics Chairs: Martin Kneyber; Jan Hau Lee
1030-1115	Oral abstracts	Oral abstracts	Oral abstracts	Oral abstracts	Oral abstracts
1115-1135	Novel ways to manage pain in critically ill children Corrine Balit, Australia	Caring Practices during Withdrawal of Life Support Karen Dryden Palmer, Canada	Predicting energy requirements in the critically ill child Bodil Larsen, Canada	Empowering parents to identify early sepsis Jos Latour, UK	Severe Asthma - Where are we now? Ricardo Iramain, Paraguay
1135-1155	Titration the right degree of sedation - what works? Erwin Ista, Netherlands	Outcome Measures in End-of-Life Care Kathleen Meert, USA	Challenges and strategies to improve delivering EN requirements Lyvonne Tume, UK	Adjunct and novel therapies for pediatric sepsis James Fortenberry, USA	The Use of High Flow Nasal Cannulae - Hope or Hype Peter Rimensberger, Switzerland
1155-1215	Non-pharmacological interventions for comfort management Stephen Playfor, UK	A viewpoint from GOSH – lessons from recent challenging cases Joe Brierley and Marianne Rutt, UK	Weight loss and muscle wasting in the PICU Chengsi Ong, Singapore	Inotropes for resuscitation in severe sepsis Suchitra Ranjit, India	Paediatric Lung Health and the need for clean air Suyun Qian, China
1215-1230	Q&A	Q&A	Q&A	Q&A	Q&A
1230-1400	Mid-day break/ Poster Discussions in the Exhibition Area				PICU Registries Part II Chairs: Ira Cheifetz; Lauren Sorce
1400-1535	The NEW PICU Chairs: Karen Choong, Joseph Manning	Caring for ourselves: ICU staff welfare and development Chairs: Stephen Jacobs; Ruth Kleinpell	Paediatric Cardiac Intensive Care Around the World Chairs: Sandra Staveski; Aparna Hoskote	Respiratory III: The Practicalities Chairs: Peter Rimensberger; Tang Swee Fong	Resuscitation II: Controversies Chairs: Vinay Nadkarni; Naoki Shimizu
1400-1420	From deep to lightly sedated PICU patients Lauren Sorce, USA	Burnout in the ICU: Ruth Kleinpell, USA	Tackling RACHS-6 in LMICs Steve Schwartz, Canada	Current advances of invasive mechanical ventilation Simon Erickson, Australia	Intubation during Paediatric Cardiac Arrest: Should we do it? Joongbum Cho, Korea
1420-1440	From immobility to mobility based rehabilitation Karen Choong, Canada	Mindfulness and staff well being in the PICU Liz Crowe, Australia	Low cardiac output syndrome without ECMO Eva Marwali, Indonesia	Fixing patient-ventilator dyssynchrony Ira Cheifetz, USA	Is there a "right" duration of resuscitation? Takanari Ikeyama, Japan
1440-1500	From Sleep deprivation to zzzzzzz in the PICU Sapna Kudchadkar, USA	Staff conflict: Does it impact on outcomes? Kyle Rehder, USA	Pulmonary hypertension without inhaled nitric oxide Parvathi Iyer, India	Smooth weans and successful extubations: how to get it right? Yek Kee Chor, Malaysia	Resuscitation in congenital cardiac disease Johnny Millar, Australia
1500-1520	From passive to actively involved parents Elaine Hor, Singapore	The grass is always greener? Staff engagement and retention Pat Moloney-Harmon, USA	Cardiac surgery – postop management issues in China Xu Wang, China	Use of non-invasive ventilation in paediatric respiratory failure Frank Lu, Taiwan	Epinephrine: Yes or No? Michael Shepherd, New Zealand
1520-1535	Q&A	Q&A	Q&A	Q&A	Q&A
1535-1615	Afternoon Break/Poster Viewing/Visit the Exhibition				
1615-1715	Pro con debate: Episodic pain and agitation is preferable to heavy sedation in PICU patient Monique van Dijk, Netherlands vs. Simon Erickson, Australia Chair: Peter Cox	Paediatric Cardiac Cases: How I treat this lesion in my country - TAPVD, TGA, ToF Parvathi Iyer, Steve Schwartz, Eva Marwali Chair: Aparna Hoskote	Hot-Off the Press / Late Paper Breaking Session Chairs: Jerry Zimmerman, Paolo Biban	Difficult ventilation scenarios Peter Rimensberger, Switzerland; Ira Cheifetz, USA; Brian Kavanagh, Canada	PICU Education Chairs: Jeffrey Burns; Jos Latour

Wednesday June 13, 2018

	Hall 404AX	Hall 404F	Hall 325-326	Hall 300-301-302	Hall 303-304
0730-0845 Sunrise sessions	How do I manage difficult conversations in the PICU? Lead: Corrine Balit Members: Liz Crowe; Jim Boggs	How do I manage the child who is difficult to feed? Lead: Chengsi Ong Members: Frederic Valla; Lyvonne Tume	How do I build/strengthen a simulation program? Lead: Yee Hui Mok Members: Kyle Rehder; Elizabeth Hunt; Nicola Ngiam	How do I build a research programme? Lead: Jan Hau Lee Members: Christoph Hornik; Martha Curley; Dick Tibboel	How do I train my nurses for my PICU? Lead: Mavilde Pedreira Members: Fenella Gill; Chandra Sekaran; Tina Kendrick
0900-0930	Plenary 6: The Third Revolution in Critical Care: Looking after our survivors Karen Choong, Canada Chair: Satoshi Nakagawa in hall 404AX				
0930-1000	Plenary 7: The fine line between success and failure; lessons from the past Peter Cox, Canada Chair: Stephen Jacobe in hall 404AX				
1000-1030	Morning Break				
1030-1230	Moral Distress Chairs: Corrine Balit; Gillian Colville	Monitoring Chairs: Anusha Ganeshalingam; Lokesh Tiwari	Transfusion and haematology Chairs: Dick Tibboel; John Beca	Quality and Safety Chairs: Yoke Hwee Chan; Jos Latour	Global concerns Chairs: Lisa Umphrey; Andrew Argent
1030-1115	Oral abstracts	Oral abstracts	Oral abstracts	Oral abstracts	Oral abstracts
1115-1135	Recognising moral distress in the PICU Anne Sylvie Ramelet, Switzerland	Non-invasive cardiac output monitoring: indications and uses Patrick Davies, UK	Tranfusion practice in PICU low resource settings Andres Blanco, Mexico	Engaging stakeholders to prioritize safety and quality Kyle Rehder, USA	HIV: Is it still a problem? Andrew Argent, South Africa
1135-1155	Strategies to tackle moral distress Daniel Garros, Canada	Predicting the future: Using big data for early warning systems Mjaye Mazwi, Canada	HLH/MAS in the PICU Matteo di Nardo, Italy	Running quality and safety projects with limited resources Nquk Lan Pang, Singapore	How do we encourage PICU collaboration between continents? Paolo Biban, Italy
1155-1215	Can education in ethical decision making reduce moral distress? Roxanne Kirsch, Canada	Pro-con debate: NIRS is necessary monitoring in the PICU Aparna Hoskote, UK Vs George-Ofori Amanfo, USA	The pro-thrombotic child in the PICU Pei Lin Koh, Singapore	Delivering high quality amidst high risk in the cardiac intensive care unit David Cooper, USA	Is tele-medicine an option for global PICU care? Stephen Jacobe, Australia
1215-1230	Q&A		Q&A	Q&A	Q&A
1230-1400	Mid-day break/ Poster Discussions in the Exhibition Area				Meet The Editors session
1400-1535	Neurology in the PICU Chairs: Patrick Davies; Pat Kochanek	Nutrition II: Challenges in Nutrition Chairs: Lyvonne Tume; Frederic Valla	Gut and Liver Chairs: Satoshi Nakagawa; Pierre Tisseres	Research in the PICU Chairs: Chris Parshuram; Anne Sylvie Ramelet	The challenges of PICU care in developing countries Chairs: Niranjan (Tex) Kissoon, Amelie von Saint Armin
1400-1420	Neuro-monitoring - is it worth it? John Beca, New Zealand	Enteral or parenteral glucose – does it matter? Michael Agus, USA	Acute Liver failure – bridge to transplant or spontaneous regeneration Neelam Mohan, India	Patient Centered Outcomes other than Death. Jerry Zimmerman, USA	Resource Allocation in Limited Resource Settings Andrew Argent, South Africa
1420-1440	Goal directed brain tissue oxygenation - are we there yet? Anusha Ganeshalingam, New Zealand	Vitamin D and bone metabolism in the PICU Arun Bansal, India	Acute Kidney injury in liver disease – is everything hepato-renal syndrome? Akash Deep, UK	How do we bring the bench to the bedside? Experiences in translational research in the ICU Mavilde Pedreira, Brazil	Considerations in PCCM Guideline Development for Low and Middle Income Countries Suchitra Ranjit, India
1440-1500	Advances in management of status epilepticus Pat Kochanek, USA	Protein - too much of a good thing? Nilesh Mehta, USA	Hepatic encephalopathy Seak Hee Oh, Korea	Innovative Trial Designs – It's all about Efficiency and Precision Martha Curley, USA	ECMO in low and middle-income countries: misuse of finite resources or invaluable? Sakiyalak Pranya, Thailand
1500-1520	Intracranial pressure monitoring in acute CNS infections Sunit Singhi, India	Panel discussion: What is the ideal design for nutritional studies? Nilesh Metha, USA; Lyvonne Tume, UK; Bodil Larssen, Canada; Frederic Valla, France	The Microbiome and Homeostasis in the PICU Michael J Morowitz, USA	Taking Advantage of Big Data Christoph Hornik, USA	Panel discussion Andrew Argent, South Africa; Rakesh Lodha, India; Sakiyalak Pranya, Thailand; Niranjan (Tex) Kissoon, Canada; Amelie von Saint Armin, USA
1520-1535	Q&A		Q&A	Q&A	Q&A
1535-1615	Afternoon Break/Poster Viewing/Visit the Exhibition				
1615-1715	Closing ceremony in Hall 404AX				
1615-1645	Plenary 8: State of the Art Paediatric Intensive Care in 2038 Brian Kavanagh, Canada Chair: Yoke Hwee Chan in Hall 404AX				
1645-1715	Handover ceremony in Hall 404AX
